

ZERO WASTE CONFERENCE 2025

LANGKAWI, MALAYSIA

“Redefine Tomorrow, Today!”

Join us for a transformative one-day summit by the beach—where sustainability meets action:

- **Waste to Resources:** Discover how to reduce landfill dependency through cradle-to-cradle strategies and resource recovery.
- **Circular Economy in Motion:** Learn how to design, reuse, repair, remanufacture, refurbish and close the loop on materials.
- **ESG in Real Life:** Hear from a certified trainer on embedding environmental, social and governance principles into your organization and community.
- **Community Engagement:** Connect regionally—ASEAN—for collective action that sticks.
- **Nurture Sustainability Habits:** Build daily practices for a better tomorrow, one habit at a time.
- **Eco-Tourism Spotlight:** Experience Langkawi’s pristine landscapes as a living classroom for how tourism and conservation can co-exist.
